

July.
Don't be a mossback.
Now is the time to subscribe—to the railroad bonus.
(Furniture at H. Grunewald's.)
There will be no further services at the Episcopal Church this summer until further notice, as Rev. Mr. Beane, the rector, announced Sunday night. Mr. Beane expects to leave shortly for a vacation trip, visiting Chicago, Niagara and other points in the North.
The lightning is said to have struck two or three other places besides the Sander building yesterday afternoon.
The grand baile and function held at Santa Cruz Sunday and Sunday night was the biggest thing of the kind that has happened lately. Especially Sunday night. The crowds were immense and the games and places of refreshment and amusement were most liberally patronized. It required three boats to accommodate the people from Brownsville and then the wharves were always crowded with waiting people. It was a grand success and we congratulate the management.

The following news item was overheard by the exchange editor of THE HERALD and we are under obligation to Captain McKay for calling attention to it. The item is from an Antonio Express of June 24. A trust Judge Parks has recovered from his injuries by this time.

Hon. N. Parks of Brownsville, Tex. was violently thrown from a street Wednesday night, sustaining very painful injuries, which carried him to his room at 707 Ave. C.

Here comes a warmer sturdy and strong man sold his tomatoes, potatoes and purchased his produce nicely tied with a cord, from the store of Ruthven & Ford.

Yesterday afternoon some of railroad committeemen called on Mrs. Angela Cerda in Matamoros and obtained from her a donation of 50 acres for the Lott railway. Mrs. Cerda has about three thousand acres north of the Arroyo Colorado near the line of survey. She expresses herself as being decidedly in favor of the railway and by her liberal contribution has shown herself to be a public spirited and progressive lady. All others who are interested in real estate or business in Cameron county or Brownsville should give in the same proportion as Mrs. Cerda has.

A little girl coming down the street has a smile on her face and neat shoes on her feet. This little tot, her name is Maud, is on her way to buy groceries of Ruthven & Ford.

NO PITY SHOWN.
"For years fate was after me continuously" writes F. A. Gullledge, Verbena, Ala. "I had a terrible case of Piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for Burns and all aches and pains. Only 25c at J. L. Putegnat & Bro., Drug Store.

The bonus is growing fast. Ten or twelve of those who had already subscribed have voluntarily raised the amount of their donation, and others who had not been solicited to subscribe are hunting up the committee for the purpose of putting their contribution on the list. Our people are growing more and more enthusiastic over the railroad and the bonus will doubtless soon be completed. The list of subscribers is going to make interesting reading when published in THE HERALD.

"Silver King" White Corn.
Wednesday morning Mr. W. D. Bluntzer sent The Caller two large ears of corn with the largest kernels the writer ever saw, the corn being raised at Mr. Bluntzer's, in this county, about 25 miles west of this city. On the paper sack which enclosed the two ears we found the following, written to the editor of The Caller by Mr. Bluntzer. "I send you a sample of 300 acres of "Silver King" white corn, will yield 45 to 60 bushels to the acre and will sell at \$1 per bushel. It is noted for its sunny whiteness, the large kernels and exceedingly small cob, weighing more to the bushel than any corn yet grown. The seed came from Ohio."—Corpus Christi Caller.

MISS SARAH FINLEY,
Vice-President of the Palmetto Club, Memphis, Tenn.
WINE OF CARDUI
is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.
Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the following praise on Wine of Cardui:
"Among the numerous medicines placed before suffering women for their relief none can touch McElree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."
If you are suffering from female weakness Wine of Cardui is the medicine you need.
You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies' Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.
